SUBJECT: Update for the Improvement of the Facility's Grease Trap

We hope this message finds you well. We are writing to inform you of the proactive measures being undertaken by Golden Empire Chinese Cuisine, Baliwag City, Bulacan branch, regarding the maintenance and improvement of our grease trap system.

In alignment with the recommendations provided by the Environmental and Natural Resources Office (ENRO), we have engaged a contractor who will soon commence work to enhance our grease trap setup. This project is currently scheduled, and we are committed to ensuring that all necessary improvements are made in a timely manner.

Furthermore, we want to emphasize our dedication to maintaining a clean and environmentally responsible establishment. Our company has consistently performed monthly cleaning of our grease trap to comply with local government environmental policies and to ensure the cleanliness of our property. Attached are photographic records demonstrating our ongoing maintenance efforts, which include not only the grease trap but also the sewage area in front of our store.

We appreciate your attention to this matter and remain committed to upholding the highest standards of cleanliness and environmental stewardship.

Thank you for your understanding and support.

Sincerely,

Daniel H.L.
