CITY ENVIRONMENT AND NATURAL RESOURCES OFFICE

INSPECTION REPORT

Name of Establishment: Reynaldo Sta. Maria Hog Farm

Address: Paitan, Baliwag Bulacan

Issue: Complaint

Date of inspection: September 23, 2024

Site Inspection: September 23, 2024 (11:04am) conducted by Monitoring & Inspection Team (City-ENRO)

Inspection report: Upon investigation, Monitoring & Inspection Team had come up with the following observations and findings, to with

Findings:

- Without business permit
- The effluents came from the septic tank are over flowing to the drainage canal
- Without segregated bins
- Minimal foul odor
- Minimal flies
- Without environmental permits such as Certificate of Non-Coverage (CNC), Discharge permit and Hazardous wastes Generator I.D

In regards with the above-mentioned findings, City-ENRO cited the following recommendations to address the said findings. The lists of recommendations are as follows:

Recommendations:

- Coordinate to the Business Permit and Licensing Office (BPLO) for the issuance of business permit
- Establish three-layer septic tank to separate the sludge from the effluents
- Maintain the cleanliness of the farm to eliminate foul odor and flies that may cause some diseases
- Secure environmental permits such as Certificate of Non-Coverage (CNC), Discharge permit and Hazardous wastes Generator I.D to the EMB (Environmental Management Bureau)
- The permit holder shall submit quarterly self- monitoring report to City-ENRO

Also, we will conduct quarterly monitoring on the said Establishment to ensure their compliance with the following environmental ordinances:

- RA 9003- Ecological Solid Waste Management Act of 2000
- RA 9275- The Philippine Clean Water Act

** We do advise to make an urgent response in addressing this matter as soon as you received this inspection report. Failure to comply with the recommendations given above will result to restricted operation or much worse, closure of the business.*
